ABOUT US

MONTERI.TR

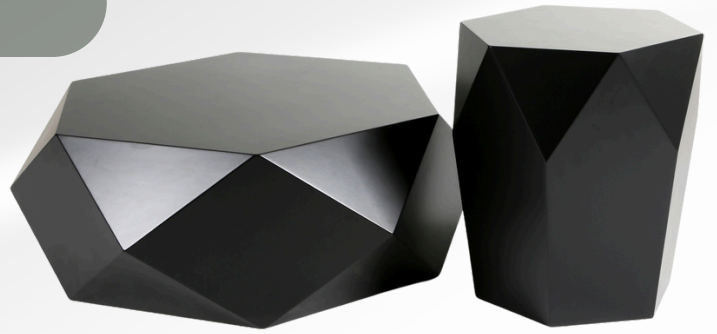

Since 2017, Monteri has been operating in various fields of the furniture industry, with a strong focus on design, quality, and global impact.

As of 2025, we have shifted our focus to innovative coffee table designs, offering products that bring both aesthetics and functionality to living spaces. Committed to delivering maximum quality and customer satisfaction at every stage, our production takes place in our facility located in İnegöl, Bursa, in accordance with international standards.

At Monteri, we are dedicated to creating inspiring interiors through our original designs, moving forward with the vision of becoming a trend-setting brand in the world of furniture.
